

include/print_code.hpp

```
graph TD; A[include/print_code.hpp] --> B[stdint.h]; A --> C[../include/opcode.hpp];
```

The diagram illustrates the include relationships for the file `include/print_code.hpp`. It is shown as a gray box at the top. Two blue arrows point downwards from its bottom edge to two other boxes below. The left box, labeled `stdint.h`, has a light gray border. The right box, labeled `../include/opcode.hpp`, has a black border.

stdint.h

../include/opcode.hpp
